

CALIFORNIA JOSEPHITE RETREAT, JUNE 2009

The American Region recently attended their annual retreat at the Daughters of Mary and Joseph Retreat Center in Palos Verdes.

Every other year confreres are free to attend with the group or make a private retreat. This year was the option year so attending a community retreat this year was (l-r) Ludo, Tammy Ichinotsubo-Ezzi, Ph.D (retreat facilitator), Tim, Charles, Alfred, Ed, and Alidor.

The theme of the week-long retreat was “Graced Awareness: Journey to the Heart of God.” Tammy spoke in two conferences a day, and in the evening session we frequently had a shared discussion. All in all the confreres enjoyed the retreat, the surroundings, the food, and the liturgies where each confrere was the main celebrant of the liturgy.

In the second photo we are celebrating the closing Mass with Fr. Ludo as the main celebrant.
