

Official opening Henderson Centre St George's College Weybridge

*Un nouveau et prestigieux bâtiment scolaire
a été inauguré récemment.
Ce centre dédié à Mr Henderson,
ancien président du pouvoir organisateur,
héberge des locaux pour les élèves
de la sixième année.*

The Henderson Centre is officially opened and named on Friday 17th September by retiring Deputy Chairman of Governors, Mr Michael Henderson.

The Henderson Centre is a new state of the art building at St George's College providing Sixth Form group and silent study rooms, social space, five History and five Geography classrooms, staff offices and meeting areas. The building has been designed with a curved finish that matches the surrounding landscape and neighbouring building. Students will benefit from spacious, naturally light, high spec teaching areas and Sixth Form students will enjoy the bespoke and comfortable surroundings of their new social area which includes a large viewing balcony overlooking the beautiful school grounds.

Externally, students can relax and socialise in the newly landscaped gardens. The building has been designed and constructed with the environment at the forefront incorporating features such as solar heating for hot water and a top of the range air cooling and heating system to minimise emissions and provide a comfortable year round working environment.

Fr Martin
Regional Vicar - School Chaplain

Mr Henderson
Former chairman

Mrs Quint
Chairman

Mr Peake
Headmaster
