Africa Appeal

I am delighted that this week we have launched an Appeal to raise awareness of the needs of the children in our fellow Josephite schools in the Congo.

Mrs Goring and Mrs Butlin's Tutor Groups led the respective assemblies, asking everyone to contribute new pens and pencils that I can take out to the Congo when I visit in March. We have been flying the Congolese National flag by the school entrance and all the children are looking forward to completing their 'mapathon'!

Africa Appeal

The week after half - term saw the climax to our African Appeal to raise sponsorship money to help Josephite schools in the Congo. The School is awash with hand - coloured pennants and the money is pouring in! At the time of writing, c£4400 has been

sent in which means that we can already pay for 147 desks - and I am sure that there is lots more to come!

On Tuesday of this week, Kieran Brockbank – Smith (Year 5) was given special permission to wear a silk tie with the Congo flag on it – a great example of really entering into the spirit of the Fortnight! Parents might like to know that I am personally travelling to The Congo in March in order to make sure that all the money goes to the right people, as well as transporting all the pens and pencils which are being collected for use by the children. Keep donating!

26 November 2010

We were delighted to welcome Fr Paul, who is the Regional Superior of the Josephites, to the JS last Thursday. He was delighted to see all the posters & pennants about the Josephite Family, and all pens and pencils being collected for The Congo!
